Subject: Comcast contract

A few weeks ago I sent out an electronic copy of the proposed Comcast agreement to the BOS to look over (being 70-odd pages I thought electronic copy was more effecient and less costly). We had submitted it to Comcast as the first effort in the contract negotiation. After much back and forth, we have gotten Comcast to sign. Christine will be emailing an updated copy to the board with the agreed upon changes highlighted (Comcast signed copy) with the agenda for Dec. 21st BOS meeting. If it looks okay, we can vote to sign it on Monday!

This will enable us to also vote on getting funds into the hands of Acton Cable Access Television (ACAT) so they will be able to begin doing business smoothly as of 1/1/10.

SIDE LETTER-SENIOR DISCOUNT

September 21, 2009

Acton Board of Selectmen
Town of Acton, MA

Dear Members of the Board:

The purpose of this letter is to outline the Senior Citizen Discount that Comcast will be offering eligible Acton resident subscribers upon the signing of the Renewal License dated September 21, 2009.

SENIOR CITIZEN DISCOUNT PROGRAM:

Although Comcast offers a level of Basic Service that it feels is affordable, it is pleased to be able to provide a discount to qualified Senior Citizens in the Town of Acton. To that end, Comcast will offer a discount of \$2.00 off its monthly Standard Service rate or that Digital Level of Service which most closely resembles the Standard Service as of the rate card in effect as of the date of execution of the Renewal License. Said discount will be provided to those subscribers aged sixty-five (65) or older, who are Heads of Household and are income eligible as hereinafter required. The subscriber must provide proof of his/her eligibility for the discount according to the following requirements:

1. PROOF OF AGE 65 OR OVER:

Acceptable documentation would include any of the following:

- a) Driver's License;
- b) Birth Certificate;
- c) Passport; or
- d) Lease.

2. HEAD OF HOUSEHOLD:

Acceptable documentation in the customer's name would include any one of the following:

- a) Lease;
- b) Deed;
- c) Tax bill; or
- d) Cable bill if current customer.

3. INCOME ELIGIBILITY:

Acceptable documentation would include proof of receipt of any one of the

following form Federal, State or Municipal aid:

- a) Supplemental Security Income (SSI);
- b) Medicaid or Mass Health;
- c) Massachusetts Fuel Assistance; or
- d) Property Tax Elderly Asset/Income Abatement Relief under M.G.L. Chapter 59, Section 5.

Since the purpose of the Senior Citizen Discount is to provide assistance to those eligible seniors are in real financial need of the discount. Therefore, Comcast has developed the criteria listed above that will provide the "needs-based" discount, but will be easy for seniors to obtain.

Notwithstanding the above requirements, those subscribers who are currently enrolled in the Senior Discount program shall not be asked to qualify for the new discount and will retain their existing discount unless their cable service is disconnected at their current address. Disconnects made in error will not be used to disqualify Senior Discount subscribers.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Timothy Kelly
Sr. Manager of Government & Community Relations
Comcast
